Employee Spotlight of the Month

Maribel Caudillo is one of our overnight Certified Caregivers who has been with The Villas family for 6 years. Maribel is a native of Tucson, and she says that she was inspired by her grandmother to pursue a career in caregiving. Maribel says that the most rewarding part of her job is having conversations with the residents, learning about their lives before retirement. Maribel shares that once she was handed a "thank-you" note from a resident on a napkin during breakfast, which was incredibly special to her.

Maribel cherishes her family, which includes her three children, which she says are her world. She enjoys the great outdoors, especially when she is able to hit the trails to hike and experience the beauty of the wilderness. A fun fact about Maribel is that as a child, she dreamed of becoming a veterinarian. Thank you, Maribel, for your dedication to our residents!

Happy New Year

Wishing you health and happiness in the new year from all of us here at The Villas!

Coffee Talk With a Great Neighbor

Villas resident Stephen Cramer was born in Toledo, Ohio, before later settling here in the desert. He often enjoyed tinkering with cars or doing projects around the house. Stephen worked as a mechanic and also as a corrections officer in the state prison. Growing up, he enjoyed looking for artifacts when playing with his siblings, and his favorite book was *Tom Sawyer*. Stephen says that the best day of his life was when he was married and he is most proud of his children growing up with strong values. Reflecting on his life, Stephen says he would love to go back when his children were young to spend more time with them.

Stephen is very outgoing and active here at The Villas. He says that he loves to participate in all arts and crafts, and that he especially looks forward to Fridays when we have Coffee and Donuts. Be sure to take time to enjoy a cup of coffee with Stephen this month and learn more about his family and life.
