Employee Spotlight of the Month

For the past 7.5 years, Tammy Murphy has been a beloved certified caregiver here at The Villas. Growing up in Southern California, Tammy once dreamed of becoming a stewardess to travel the world—but everything changed in her early 20s after caring for her grandparents and later, her mother. That sparked a lifelong passion. "I love helping people, and in caregiving, I get to do that. It's been my career choice for 25 years," she shares. Tammy believes every day brings a special moment—whether it's watching residents color, helping with puzzles or hearing their life stories. "I care for my residents as if they were my own mother," she says with heart.

Outside of work, Tammy enjoys spending time with her 2 children, 2 grandchildren and her pup. You'll often find her relaxing at the swimming pool or enjoying some well-earned downtime. Looking ahead, she sees herself continuing in caregiving and embracing any new opportunities that come her way. We're so grateful to have Tammy's warmth, dedication and experience at The Villas!

Embracing a Life of Family and Friends

Meet Eleanor Brantley, a proud Tucson native who grew up in the South side of the city with her two brothers and three sisters. As one of six children, she has fond memories of a home always filled with laughter, family and the delicious smells of home cooking. She and her siblings always enjoyed swimming and big family gatherings, and she still treasures time spent with loved ones. Eleanor remembers being a fan of kung fu and comedy movies in her younger days, and she has worked at places such as Golden Corral and Denny's. She loves sharing stories about her two children—a son and a daughter—and lights up when talking about her grandchildren, who are her greatest pride and joy.

Eleanor's favorite activities at The Villas include sipping coffee, enjoying donuts, getting manicures and spending time with the wonderful staff in Villa B. Her words of wisdom: "Never judge anyone before you have judged yourself." We're so glad to have Eleanor as part of our community!
