Employee Spotlight of the Month

Salama Afo has been a valued Caregiving Assistant with our community for the past year, bringing warmth and compassion. She grew up in West Africa, where she once dreamed of becoming either a doctor or a police officer, careers centered on helping others. That caring spirit still defines her work today. Salama especially enjoys assisting residents during mealtime, cherishing the moments when they are happy and appreciative. She shares that her favorite part of her position is simply spending time with the nice people in her Villa, and the connections she builds with them.

Married for five years, Salama is the proud mother of a son who will turn five in May. Her husband and son currently live in Africa, and her love for her family is at the heart of everything she does. In her free time, she attends school to perfect her English, and she also enjoys shopping and prayer. Salama always aims to work hard, respect all people, and continue being a good woman who loves her family deeply.

March 2026

Creative, Caring, And Living With Joy

Jean Porter grew up in Parkersburg, West Virginia, where she fondly remembers snowy winters and the excitement of gathering around the television, something that truly amazed her as a young girl. Her favorite movie was *Gone with the Wind*, a timeless classic she still enjoys. Raised by her hardworking Christian parents, Appalene and Harold Edward "Ed" Roberts, Jean was especially influenced by her mother, who shaped her values and strength. She met her husband while working at Westinghouse, just before he joined the military. Together they raised two sons, Jerry and Patrick, and they remain her proudest accomplishment. She also shares a special bond with her sister, Janette Sue, who goes by Sue.

At The Villas, Jean enjoys our coloring and creative activities, as she has always loved working with her hands, especially crocheting and knitting. With a smile, she jokes the best part of living here is being "fed and watered and put away at night." We are so thankful for the joy and friendship that Jean brings to our neighborhood!
