## Employee Spotlight of the Month

Linda Aguilar brings a warm heart and a deep sense of purpose to her role as a certified caregiver. Raised between Tucson, Arizona and Mexico, Linda grew up watching her mother care for others, which became an influence that stayed with her and ultimately shaped her own path into healthcare. In her eight months here, Linda has made a quiet but meaningful impression. She takes pride in the little things, and residents have noticed, often expressing their gratitude for her attentiveness and genuine kindness. Linda especially treasures the moments spent listening to the residents share their life stories and cherished memories.

A proud mother of four, Linda spends her free time playing with her children. She also has her sights set on returning to school to further her education. Though she describes herself as quiet, those who know Linda recognize her as a dedicated team player who shows up every day ready to help and make a difference.

### A Warm Heart, Wisdom and a Sharp Wit

If you're looking for a sharp wit, a great story, and a laugh to brighten your day, look no further than resident Diana Kramer. Born and raised in the Bronx, New York, Diana grew up in a neighborhood full of life, where kids filled the streets playing baseball and everyone knew everyone. Diana has always been close to her brother Lester and shares that her parents, Shirley and Robert, spoiled them. She was greatly influenced by her mother, and found success in a challenging career, working as a stock broker.

As for life's lessons, Diana keeps it beautifully simple: be patient, don't be judgmental, and never jump to conclusions. These days, her greatest joy is her beloved dog named Eight, who is always by her side. Here at The Villas, she loves watching movies with neighbors and says that she greatly appreciates the staff taking care of daily chores, joking that she no longer has to put away the dishes.
